Introduction

Welcome to TAKDHUM online Arts School. It is a fastest growing online based school for people who love to learn & create art!

- TAKDHUM is an online learning platform featuring wide range of video courses taught by expert instructors.

- Learn drawing, paintings, digital work, sketches & creations with other professional artists!

- Easy: You don't need any special skills, just start drawing.

- Interesting: Try different style of drawings.

- Learn free: TAKDHUM is a free course. Once you've enrolled in a course, you will have lifetime access to the content.

- Learn from experts: Be inspired by expert instructors teaching.

- Learn anywhere: Download courses to learn offline.

- Learn at your own pace: Ask both students and instructors questions.

- Personal development: Productivity, leadership, career development, study skill etc.

Online & School Art Competition

TAKDHUM is arranging drawing & craft competitions through online and in different school-events to unleash the potential of creativeminds. Simultaneously, it's providing online learning tutorial on drawing & craft regularly. 500 winners have been awared out of 12,000 participants across 50 schools in Dhaka.

Winners of online competition are happy receiving Bicycle, Lego & Gift Box (from right).

Takdhum Comics

Takdhum published it's very first comic book of Takdhum series in December, 2018. This series will consist of many comic books revealing different mysterious, thrilling & adventurous stories. After releasing, it will be available on Takdhum.com & Rokomari.com.
